Next-Gen Interactive Video Alarm & Awareness System

Twist HD Camery 2-pack System

With these cameras, you can literally twist and shout with the system. In-app control makes it easy to turn the camera from left to right for a full 360° view and communicate via 2-way audio. You can also manually tilt them up or down.

- *1x Security Shuttle (OPU2)*
- *2x Twist HD Cameras*
- *1x External Siren*
- *1x 16G USB Thumbdrive*

Network Security

Creates a closed network with advanced security measures to protect your privacy

24/7 Intelligent Recording

The recording automatically filters out unchanged scenes

Night Vision

Automatically switches to infrared night vision mode under low-light conditions

Motorized Panoramic View

Provides you a 360 degree motor-driven panoramic view
